# Licensure Renewal

## Enter Professional Development (PD)

### 1. \*Enter Exemptions in the ELIS System\*

Educators are exempt from PD in the fiscal years not working 50% or more full-time equivalency in an IL public school position requiring the Professional Educator License (PEL) or the Career & Technical Educator endorsed Educator Licensure with Stipulations (ELS-CTE). This includes working in a private school, working out of state or if retired.

Please note that retired educators must complete and record the amount of professional development required for the number of semesters worked during the renewal cycle in which they retire.

Educators exempt from PD need to mark the appropriate employment status in the profile section. District letters will be required for exemptions not matching the **Assignment History** in ELIS. Due to recent changes, it is important that the employment status be kept up to date by the end of every fiscal year.

The screenshot shows three profile sections: Primary Information, Contact Information, and Profile. Primary Information includes: Full Name: Sally A. Test, IEIN: 855812, DOB: 10/31/1954, Gender: Female. Contact Information includes: Address: 123 Testing Lane, City, State Zip: Springfield, IL 62714, Email: dheckenk@jsbe.net, Primary Phone: (217) 555-1221, Secondary Phone: [blank]. Profile includes: PD Status: Active. Below the sections are two links: 'Click Here to Edit Your Contact Information' and 'Click Here to Update Your PD/Employment Status'. A red arrow points from the first link to the second.

A red arrow points to the 'Professional Development (1)' option. Below the menu, a table shows 'NBPTS Recert Activities' with a completion status.
