WELCOME BACK

As we begin a new school year, I want to thank you for your dedication and service to the school community, parents, and most importantly the students. I can think of no other profession that profoundly impacts the life of a child more than that of a teacher. Educating our youth is a tremendous responsibility and one that should not be taken lightly. To assist teachers and administrators in offering the best education for our children, the staff at the Regional Office of Education and the Professional Development Alliance are devoted to providing quality programs and services to school personnel. The ROE newsletters aim to spread awareness of these offerings as well as programs through other agencies in the Will County area. Again, thank you for all that you do and I wish you the best this school year.

Dr. Shawn Walsh
Regional Superintendent of Schools

your TIME is
Valuable,
your
TALENTS
are
Many,
AND your
FUTURE
is
Bright.

THOMAS S. MORSON

STEM FAIR 2016

The Will County ROE is proud to offer a field trip for school science clubs and/or those students who have a great interest in the STEM field. If your school has a STEM club that would like to exhibit a project at the event, please contact Paula Earls or Frank Perucca at the ROE.
